

Ladies and Gentlemen,

We propose our band in order to provide fun and joy at your events.

The duet Fast Train comes from the region Picardie and his members are Cyrille Bardy, a singing guitarist, and Philippe Mazzucato, a renowned bassist and chorist who plays for french artists.

Cyrille and Philippe teamed up in 2007, they were involved in the professional recording of an album made for a female country singer. In 2009, they wanted to play again together and to perform covers of country, blues and rock songs.

It's a big passion and the repertoire can last more than two hours. They play covers which can be songs or instrumentals, from the fifties to nowadays...

Fast Train plays songs from musicians like Dwight Yoakam, Vince Gill, Redd Volkaert, Alan Jackson, Danny Gatton, Johnny Cash, JJ Cale, Merle Haggard, Roy Buchanan, Freddie King, John Jorgenson, Brent Mason, Mike Henderson, Gene Vincent, Elvis Presley, and many songs of Dire Straits and Mark Knopfler...
